

How do we as individuals and the church live as devoted disciples of Christ in this turbulent culture? The book of Revelation offers answers to this question. Many avoid Revelation because it seems like a confusing book of cryptic messages that elude or even frighten us. However, when we read it as it was intended, it provides inspiration and application to our Christian lives. Each week of the summer as we uncover the mystery that has been “Revealed,” we encourage you to read the Scripture passage for the upcoming Sunday message. To help prepare for the message, we also encourage you to ask yourself the following questions each week as you read:

- What do you think this passage meant to the original readers? (If there are symbols, what might they have meant?)
- What is this passage saying to us as a church?
- What is this passage saying to me as a Christian?
